

BUTLER MACHINERY IS YOUR

# FULL SERVICE TRUCK CENTER

WHEN IT COMES TO ON-HIGHWAY TRUCKS, YOU CAN TRUST US WITH ALL YOUR SERVICE NEEDS.

Butler Machinery is your full service truck center, servicing all makes and models of trucks and engines. Whether your business is local pick-up and delivery or long haul routes traveling through North and South Dakota, you can get your vehicle serviced by trained professional technicians. With 3 PAR Chassis Dynos in the Dakotas, we can diagnosis and repair all your performance and power concerns.
